why → how

One possible version:

Dear Sir or Madam,

I'm Li Hua, a Chinese student who is taking winter courses in your school. I'm writing to ask for help.

I came here last month and found my courses interesting. But I have some difficulties with note taking and I have no idea how to use the library. I was told that the Learning Center provides help for students and I'm anxious to get help from you.

I have no class on Tuesday mornings and Friday afternoons. Will you be free? Please let me know which day is OK with you.

Thank you for your kindness. I'm looking forward to your early reply.

Yours,
Li Hua
